

SUGARBIRD® IS FAMOUS FOR ITS INNOVATIVE GIFTING IDEAS!

The new Sugarbird® Safari Glitter Edition Gin brings you a taste of Africa, with the dazzling addition of edible glitter, adding shimmer to the festivities, all in a Safari-themed bottle!

Sugarbird® and Friends 12 Gin Showcase, designed as an all year-round gift, is a collaborative pack, using competitive gin manufacturers, thus bringing variety to the customer, by showcasing the very best of South Africa's remarkable gins, all in one box! This concept then extended to a Brandy collection, and latterly, a smorgasbord of South Africa's remarkable craft spirits! Packaged in a special Kudu Advent calendar box, it promises the best of local craft spirits, delighting the taste buds and making an enviable gift!

Sugarbird® Gin Crackers will grace every celebratory table. Each pack has all six variants,

the most recent of which is the festive Cape Holly and Wild Plum. Don't forget to eat, drink and be merry this festive season with Sugarbird®'s Gin Baubles! Hang them first on the tree, or use as table décor, before opening and enjoying with an ice-cold tonic.

Sugarbird® Honeybush and Moringa has joined the signature gin range this year - An amber gin, trickle-filtered through the leaves of *Cyclopia* (honeybush) and *Aspalathus* (rooibos) is the perfect addition to the fynbos gin range.

Much of Sugarbird® Gifting range, plus the bottle range, (which now includes a premium fynbos rum and a 14-year old barrel-aged XO brandy), is exported into Africa, Europe, UK, Asia, North America, UAE and Australasia. "We've been delighted with the interest shown in our South African brand, by customers who are obviously looking for something a little different and special", says Managing Director Matt Bresler

Great gift idea!
