Botanical craft gin South Africa

Take your friends and your thirst, your sunglasses and purse, to experience a vast array of botanically fantastic local craft gins. Weaving sweetly between the clinking of ice cubes and elegant sipping of fine gins, there'll be delectable nibbles on offer to fill your hunger, as well as some of the country's finest musicians throughout the day.

The organisers add: "If you're as Malfy as a Beefeater in Cruxland, sporting a dry, Gordon Bombay jacket, on the search for Sapphires with a foxy Ginologist named, Whitney Neill, then stop Bulldogging around and get your Tanqueray's down to another fabulous Ginapalooza, for the jolliest jol since the last one!"
