Sugarbird

Sugarbird Gin is a proudly South African craft gin company, born by an unstoppable entrepreneurial spirit, with the mission to always innovate, create and inspire others to be bold, and smart, in following their dreams.

What is the bootcamp for?

Critical to success – is having the right tools in your proverbial box, and so Sugarbird founders Nzeka Biyela and Rob Heyns have partnered with Koi's Neil Hinrichsen, to create a 2-day super-charged bootcamp.

The bootcamp is a place where you will learn about ideation, team formation, business development processes, and financial management – and for every 1000 bottles of Sugarbird sold, one aspiring entrepreneur will be sponsored into the course.
