## CAPE TOWN'S SUGARBIRD CRAFT GIN, SPREADS ITS WINGS TO BRANDY

Cape Town's Sugarbird Craft Gin, spreads its wings to brandy.

Best known for its quality fynbos gin, Sugarbird has negotiated access to aged barrels of potstill brandy from one of the world's finest, award-winning distilleries – right here in South Africa.

Chenin Blanc and Colombard grapes, grown in the Bredekloof region, provide the distillate that is

Carefully aged in small French Oak barrels, for 14 years. Ultimately, once the ageing process has completed, this delicate liquid is trickle-filtered through honeybush and other fynbos botanicals by Sugarbird’s Artisan Blender, Edmund Paulsen, who says; “this adds a very subtle character to one of the finest ‘Cognacs’ around.” Finally, a little squeeze of fynbos honey gives it a natural smooth nuttiness.

Sugarbird’s MD, Matt Bresler, says: “Our initial focus was on creating a gin, differentiated by its locally-sourced ingredients. We feel we have done this to popular acclaim – recently winning Best South African gin in the 2021 Luxury Lifestyle Awards. As a result, we decided to try our hand at brandy: a product with a rich South African heritage. The Cape Floral Kingdom is on our doorstep – it is by far the smallest, but richest of the world’s six floral kingdoms, in terms of plant and flower diversity. It has given us a wealth of flavour profiles, first used in our gin, where it found harmony between floral and citrus notes, and now, in our potstill brandy.”

With a nose of sweet prune, dark chocolate and vanilla that follows through on the palate, the Sugarbird XO 14 Year Old is a great choice for sipping around the fire, either neat, or with a block of ice.

“South African brandy is the unsung hero of the spirit world,” according to Cape Wine Master, Winnie Bowman. But now – there is Sugarbird XO 14 Year Old Potstill – presented in a quality heavy glass bottle, strikingly labelled, with understated elegance.
