SUGARBIRD SPREADS THEIR WINGS

Best known for its quality fynbos gin, Sugarbird has negotiated access to aged barrels of pot still brandy from one of the world's finest, award-winning distilleries – right here in South Africa. 2 Macs (Hector & Guy) chat to Sugarbird's MD, Matt Bresler, about his scientific passion for Fynbos & the Cape Floral Kingdom while tasting this pot still brandy. We also sniff out what spirit is being researched and developed for release from the house of Sugarbird.

HALEWOOD LATEST RELEASES

Jazz Adams joins us from Halewood International and we talk through 3 magnificent spirits starting with a 12 Years Old Single Malt Scotch. We learn a little more about John Crabbie and whether or not Guy has anything to do with the cocktail on the outer Box. Jazz helps us understand the Solera process that goes into producing what is a fantastic premium Rum out of Columbia. Lastly, we taste a fusion of Irish Gin and Scottish raspberries to end of a fine tasting with a great G&T

GERTIE'S QUEEN OF RUM ROW

The 2 Macs discover what makes a food stylist in the film industry take on what they call their "Winter Project". We introduce you to the owner founders of Gerties Premium Rum, Emma Wilson, and Brendan Rice. We meet the Heroine and inspiration behind the Brand, the tale of the beautiful Gertrude Lythgoe, the legendary first female rum runner in the prohibition era. There is a little bit of Gertie in all of us or definitely one that they aspire to: risk-taker, strong, independent, competitive, loyal, and trustworthy. Just like their Rums

THIS ONE IS FOR THE LADIES

This one is for the Ladies! Time to cozy up to some romantic pink Gins, Hector and Guy discuss the Musgrave Pink Gin, the Firkin Rosie Gin as well as a Single Grain Whisky from Loch Lomond. Hector gives tips on how to cut the calories in your tonic without compromising on flavour. They discover that a good G&T can be spiced up and most importantly that the secret to good drinks is not to be lazy! Lastly, we discover the grain that is actually a malt and that mixing it with water "Mizuwari" style makes for a happy springtime Drink
