Start the weekend early.

The Westin Cape Town's corporate business interior invites you to bring you're A-game and achieve your goals – but not only in business. We have fitness goals, holiday goals and food goals – and they help us achieve them all with their gymming facilities and Thirty7 Show Kitchen and LouisB's Bar & Lounge.

Say good-bye to the sun in true cosmopolitan style at The Westin Cape Town's Summer Sessions

Every **Thursday** in February from 16:30–19:30, LouisB's Bar & Lounge kicks the weekend into early high gear with live music, and gin and sorbet pairings.

Hello weekend! See you there.
